Know Your Dog's "Family Tree"

The American Kennel Club will issue a Certified Pedigree for any dog that is registered in the American Kennel Club Stud Book.

The Pedigree is your dog's ancestry — compiled from our original records — and its authenticity is affirmed by the AKC seal affixed to every Pedigree.

Championship titles and obedience degrees that have been attained by any of the dogs appearing in your dog's background are shown.

Of course, the registration number of each antecedent is given.

Knowledge of your dog's ancestry is important to you in many ways — if you intend to embark upon a breeding program it is essential that you know your dog's bloodlines.

A facsimile of the Certificate is shown; actual size is 11 x 9¼ inches.
